INCLUSION

TITLE: Development and Implementation of Social Dimension Strategies in Armenia and Bosnia and Herzegovina through Cross-regional Peer Learning/

TEACHER

TITLE: Introducing competence-based preschool teacher education curricula in Bosnia and Herzegovina

No matter where you’re from, what you do, or how old you are, it’s never too late to discover what Erasmus+ could mean for you.
Description: INCLUSION (Development and Implementation of Social Dimension Strategies at HEIs in Armenia and BiH through Cross-regional Peer Learning) is a three-year cross-regional joint project under EAC/A04/2015 call and Key Action 2 - Capacity Building in the Field of Higher Education. The wider objective is to mobilize the HE capacity in Armenia and BiH in contributing to the implementation of the social dimension (SD) strategies through capitalizing on knowledge transfer and cross-regional cooperation.
Description: TEACHER project focuses on harmonization of preschool teaching training of 6 HEIs in BiH.

DEVELOPMENT OF COMPETENCE-BASED CURRICULA deals with curricula harmonization.

MODERNIZATION AND INNOVATION OF TEACHING METHODOLOGY improves teaching methodology and entrepreneurial competences.

ENHANCEMENT OF TEACHERS TRANSVERSAL SKILLS improves transversal skills. Throughout this WP each HEI will create a team of trainers.

ACCREDITATION/LICENSING AND IMPLEMENTATION OF INNOVATED CURRICULA will deal with accreditation, purchase and installation of equipment and enrollment of students.

DISSEMINATION will assume organization of promo events, media activities, visual identity, web site development. It will deal with sustainability of project results. Key elements of sustainability will be reflected in English language courses for teaching/nonteaching staff, transversal skills trainings for teaching and nonteaching staff and student representatives.

MANAGEMENT ensures proper procedures are developed and followed throughout the project.
INCLUSION
Specific Objectives

- Capacity building of HE sector for designing and implementing SD strategies;

- Development of a harmonized approach to the implementation of SD strategies in line with country specific objectives;

- Fostering access to/participation in and completion of higher education for persons from vulnerable/underrepresented groups. The project targets the major problems in Armenia and BiH related to the promotion of SD strategies through broader involvement of HEIs.
TEACHER
Specific Objectives

- Harmonize curricula through identifying harmonization framework and developing individual harmonization plans;
- Certify harmonized curricula through re-accreditation and enrollment of the 1st generation of students;
- Improve transversal skills of teachers through training of trainers and spill-over sessions;
- Improve teaching methodology and entrepreneurial competences through identifying learning outcomes and methods of achieving them.

Between the fear that something would happen and the hope that still it wouldn't, there is much more space than one thinks. On that narrow, hard, bare and dark space a lot of us spend their lives.
